## MORE PINKHAM CURES

Added to the Long List due to This Famous Remedy.

Camden, N. J.—“It is with pleasure that I add my testimonial to your already long list—hoping that it may induce others to avail themselves of this valuable medicine, Lydia E. Pinkham's Vegetable Compound. I suffered from terrible headaches, pain in my back and right side, was tired and nervous, and so weak I could hardly stand. Lydia E. Pinkham's Vegetable Compound restored me to health and made me feel like a new person, and it shall always have my praise.”

—Mrs. W. P. VALENTINE, 902 Lincoln Avenue, Camden, N. J.

Gardiner, Me.—“I was a great sufferer from a female disease. The doctor said I would have to go to the hospital for an operation, but Lydia E. Pinkham's Vegetable Compound completely cured me in three months.”

—Mrs. S. A. WILLIAMS, R. F. D. No. 14, Box 39, Gardiner, Me.

Because your case is a difficult one, doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. It surely has cured many cases of female ills, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, indigestion, dizziness, and nervous prostration. It costs but a trifle to try it, and the result is worth millions to many suffering women.

Mr. Blake, formerly in charge of a gas plant at Gainesville, now has charge of the machinery for the ginny.

Mr. Morrison, with Wade & Morrison Co. here, spent Sunday in Alachua.

Mr. Stephens of St. Petersburg will soon locate here with his family.

Mr. Jas. Dell and wife returned to Gainesville a few days ago on account of high water, but are expected to come back now that conditions are normal once again.

Mrs. Middleton and children are visiting her sister in LaFayette county. They expect to move into their new residence upon their return.

Miss Mabel Lamb and friend, Miss Eugene Nolan, will be guests of Miss Mary Baird of Gainesville for the next few days.

The Methodists will soon pitch their gospel tent in the park here and expect to hold protracted services during the month of August.

## AN UNUSUAL CASE.

A recent meeting of the Board of Commissioners of State Institutions at Tallahassee brought to light a case of unusual character, which is given in a dispatch covering the board's proceedings. Of the case in question, the report says:

“The Board of Commissioners of State Institutions met in the executive office recently with all members present except the State Superintendent of Public Instruction. After the minutes of the last meeting were read and approved, a letter from the county judge of Duval county, Fla., was read stating that a lady named Elizabeth Mary Joseph Lindsey is confined in the asylum, having been sent there in 1881. It appears that she owns some property in Jacksonville that has become of considerable value, but which is about to be lost on account of non-payment of taxes. Application has been made to him to appoint a guardian of this person in order to save the property, but there is no record that she was adjudged insane.

“With the same mail came a letter from J. L. Lee, attorney-at-law, Law Exchange building, Jacksonville, asking for the same information. Mr. Whitfield said that he had written to Judge Phillips stating that Mrs. Lindsey was admitted to the hospital November 30, 1879, and is still there in fairly good physical health but unimproved mentally; and to J. L. Lee, referring him to Judge Phillips for such information as he may deem best to give him. The matter was referred to the Attorney-General.”
